

LEVERAGE THE EXPERTISE OF FABCON PRECAST

REPAIRING YOUR PRECAST BUILDING

Welcome to the neighborhood. Fabcon is excited to introduce our W2E (Work to Existing buildings) services. Fabcon buildings are built to last a lifetime... not just structurally, but in their ability to adapt to the changing needs of your business.

We offer turn-key solutions to modify, expand or repair our customers' existing facilities.

With dedicated design, field and project management resources, we offer you a range of capabilities. Even if your project doesn't involve new panels, you'll enjoy Fabcon's value and customer service.

Fabcon's precast expertise extends beyond our own products. With over 45 years' experience designing, manufacturing and installing precast, Fabcon knows your building inside and out...literally. If you can dream it, we can do it.

We assess, survey, modify and repair precast from ANY manufacturer.

WE CAN HELP YOU WITH

Precast inspections

Damage repairs

Building expansion

Maintenance patching

Re-caulking

Structural modifications

Adding/removing windows, doors & openings
